350 Questions for the Situational Judgement Test provides invaluable guidance to the Situational Judgement Test, written by authors who understand from personal experience that detailed explanations accompanying each answer are the key to a successful revision aid.

This book presents over 350 ranking and multiple-choice questions, arranged by subject groups aligned with the domains of the SJT examination, and designed specifically to explore the readiness of candidates to face the scenarios that they will encounter as a junior doctor.

A clear discussion of how the correct answer was reached and other options ruled out for every question is given at the end of each chapter, making this book an excellent learning aid through all stages of undergraduate studies, and particularly during revision for the SJT examination.
