A SUMMER TO REMEMBER (BEDWYN SAGA) BY MARY BALOGH PDF

Do you understand why you should read this site and also just what the connection to reviewing book *A Summer To Remember (Bedwyn Saga)* By Mary Balogh In this contemporary era, there are lots of methods to acquire the book and they will be a lot easier to do. Among them is by obtaining the book *A Summer To Remember (Bedwyn Saga)* By Mary Balogh by on-line as what we tell in the web link download. Guide *A Summer To Remember (Bedwyn Saga)* By Mary Balogh could be a selection since it is so correct to your requirement now. To obtain the book on-line is really easy by simply downloading them. With this chance, you can check out guide anywhere as well as whenever you are. When taking a train, awaiting listing, and awaiting somebody or various other, you could read this on the internet book [A Summer To Remember \(Bedwyn Saga\) By Mary Balogh](#) as a good friend once again.

From Publishers Weekly

A titled rogue courts a prim and proper lady in this spirited Regency romance by the deservedly popular Balogh (*No Man's Mistress*, etc.). Kit Butler, Viscount Ravensburg, is no gentleman. He has long scandalized the ton of London with his antics, and the Honorable Miss Lauren Edgeworth, who is in the city after a painful jilting, is even more horrified than most by his behavior. As the novel begins, Kit forges a particularly scandalous plan. Looking to escape an arranged marriage, he embarks on a wager with his friends to woo and engage an unobjectionably correct lady in order to rid himself of his intended. Lauren is the perfect target, and Kit gets to work. Surprisingly, he comes to like her and confesses his dastardly wager; she, having decided that she wishes to be independent and unmarried, makes a proposal of her own: a summer filled with adventure in return for acting as Kit's fiancée. But when the summer is over, and the gorgeous, intelligent Lauren has quietly helped Kit to reconcile with his family as well as earned the respect of his friends and kin, will the smitten Kit be able to persuade Lauren to make their engagement a real one? Balogh outdoes herself with this romantic romp, crafting a truly seamless plot and peopling it with well-rounded, winning characters.

From Booklist

Balogh builds on the strength of her hardcover debut, *More than a Mistress* (2000), and its follow-up, *No Man's Mistress* (2001), in her latest sexy romance, a tale to relish and remember. Icy Lauren Edgeworth, who had been left at the altar a year earlier, is in London for the confinement of her aunt when she meets Kit Butler, Viscount Ravensberg, a notorious rakehell. Kit had been banished from his family home, but now that he's become the heir, his father has selected the woman he wants him to marry. Kit will do anything to

avoid this union and plans to trump his father by bringing home a bride of his choosing who is clearly beyond reproach. To that end, he decides to woo Lauren. A bargain is struck, and Lauren, wanting one summer of adventure and passion before what she believes will be a life of spinsterhood, agrees to become Kit's fiancée, but never his wife. In what may be the most sensuous romance of the year, Balogh ably demonstrates that the hottest sex scenes are those that remain true to character and integral to the plot. Diana Tixier Herald

A SUMMER TO REMEMBER (BEDWYN SAGA) BY MARY BALOGH PDF

“Matchless storyteller”(Romantic Times) Mary Balogh weaves a tantalizing web of wit and seduction in her new novel—an irresistible tale of two unlikely lovers and one unforgettable summer.

Kit Butler is cool, dangerous, one of London’s most infamous bachelors—marriage is the last thing on his mind. But Kit’s family has other plans. Desperate to thwart his father’s matchmaking, Kit needs a bride...fast. Enter Miss Lauren Edgeworth.

A year after being abandoned at the altar, Lauren has determined that marriage is not for her. When these two fiercely independent souls meet, sparks fly—and a deal is hatched. Lauren will masquerade as Kit’s intended if he agrees to provide a passionate, adventurous, unforgettable summer. When summer ends, she will break off the engagement, rendering herself unmarriageable and leaving them both free. Everything is going perfectly—until Kit does the unthinkable: He begins to fall in love. A summer to remember is not enough for him. But how can he convince Lauren to be his...for better, for worse, for the rest of their lives?

A deeply passionate and moving novel

By Susan Smith

I'd rather not review this book but, instead, "share my thoughts" as we are invited to do by amazon. Mary Balogh is so talented that she rarely fails to please and those who may have been disappointed by this story perhaps prefer stories which are not quite so introspective as this one.

One aspect of this novel I enjoyed was that it brought a happy outcome for some of those wonderful characters in *One Night for Love*. It also allowed us to watch a deeply hurt and misunderstood man and woman reach tentatively, hesitatingly for mutual fulfilment and and happiness. Kit Butler, Lt Col Viscount Ravensberg had, from all outward appearances, a brilliant military career working under particularly dangerous circumstances. Balogh alludes to this sparingly but with great effect as she explores the impact that war and command can have on a man. However, he is damaged and confused and hurt as a result of his experiences and this has helped to bring about a collapse of relations with each member of his family.

Miss Lauren Edgeworth was the jilted bride from *One Night for Love* who, we now find out, has turned inward on herself because of loss of her parents at a young and vulnerable age. She has some rather deep psychological scarring which needs to be expunged if ever she is to find true happiness and serenity of spirit. Her calm and cool manner hides a deeply passionate and loving woman who, sadly, all her life has felt she must exist to please others and never herself. Balogh writes with great insight into Lauren's character.

Balogh has written a novel examining the psychological make-up of two very interesting and sympathetic characters. They think and behave in a wholly credible and believable fashion. She has truly made them come alive for me and, by placing them in a setting of a large extended family, she shows how sadly isolated both of them are, despite the surroundings of the comings and goings of everyday family activity.

I am truly interested to see if the author can make me like Lady Freyja Bedwyn who makes her somewhat alarming debut here. I look forward to reading about her and her family in the Bedwyn saga. I also hope that Sydnam Butler, Kit's younger brother will find a happy outcome in a future story. Much of the torment and

turmoil experienced by Kit is directly attributable to his relationship with Sydnam. Sydnam deserves "fleshing out" and I hope to read more of him.

All in all, another marvel from Mary Balogh and not to be missed if you like heart-wrenching, immaculately plotted fiction with a rounded, mature H/H who mature to loving completion in a most heart-warming way.

I am of the opinion that this book should be mandatory..

By MominYogaPants

reading for every aspiring author (and some professional ones too). Maybe then we readers would be spared some of those atrocious, embarrassing books that are being published nowadays (and become bestsellers too!! Who buys this dreck???) Anyway, the point of that rant is that Mary Balogh has produced a gem of a book, a true keeper in every sense of the words.

After his older brother's untimely death the notorious Kit Butler inherited the title of Viscount Ravensberg (sp). His family, aghast at Kit's exploits in London order him home immediately to take his rightful place as the heir to a powerful earldom and also to fulfill his duty by marrying a bride chosen by his father and producing heirs. Kit, already estranged from his family, balks at his family's command and decides that he will find his own bride and marry on his own terms not his father's. He will even go a step further and instead of choosing someone completely unsuitable as his family would expect he decides he will choose the perfect lady.

Lauren Edgeworth is the perfect lady. She has devoted her whole life to perfecting the art of being a lady. She thrives on prediction and takes comfort in routine. In short, Lauren Edgeworth is a dead bore (or so Kit thinks) therefore she is the ideal woman for his plans. Lauren surprises him by agreeing to be his fiancée in name only until he can find a bride not of his father's choosing. In exchange, Lauren wants Kit to give her a summer she will never forget. He readily agrees. At the end of Lauren's perfect summer she will break off the betrothal and move to Bath to begin the life a respectable spinster. However, for Kit this was easier said than done because he was not prepared for the other side of Lauren. He finds himself captivated by the woman hiding behind the icy facade, apparently afraid to come out. Since Kit is not one to resist a challenge he is determined to bring that woman out. In the process he finds himself caring far too much for his "pretend" fiancée.

Lauren, on the other hand is determined to leave at the end of the summer with her heart intact. After her first wedding was scandalously aborted (see *One Night for Love*) Lauren is convinced she will never be able to love again. However, she is not made of stone and very soon she finds herself hopelessly drawn to Kit. His devil-may-care attitude fascinates her and the pain she glimpses behind his laughing eyes and happy-go-lucky attitude brings her dangerously close to falling madly in love.

Balogh has outdone herself with Kit and Lauren. Never before have I read a book with characters that were so perfect for one another. Kit is an absolute joy to read, his charm and endearing ways had me sighing over and over. Also, the dialogue sparkles and the developing relationship between Kit and Lauren is believable and incredibly executed. I have said before that Balogh is the closest one can get to a modern day Jane Austen and this book just reinforces my opinion. In short, this is an incredible book and I cannot recommend it enough. :0)

If you only read one Regency romance...

By MattieG

... do yourself a favor, and make it this one. This is my second-favorite romance of any genre, of all time. It is the most purely romantic novel I've read.

Everything is perfect. The two leads are complex, interesting, vulnerable and flawed, and the tentative way they both slowly flower within their relationship made me weep, in more than one place within the story. I can't remember when I was more moved by a romance novel, and as a voracious reader of every star author

of the Regency genre that is saying something. Few books even approach this one both in satisfaction of a great read by a skilled author or in the way the story itself resonated within me.

The heroine Lauren was especially well-written. Her pride and gentility broke my heart. She is exactly what a regency-era heroine should be, but crafted in the timeless mold of a Jane Austin character. She isn't wild, or spunky, or goofy/silly/helpless, she isn't motivated by lust, or financial need, nor does she use the speech patterns and vocabulary of a modern American woman. She is British and she is refined, elegant, and every bit a lady. I wanted her to be happy. She deserved happiness.

Likewise, Kit, her partner, is also exceptionally attractive as a human being and a man, not a cliché of the genre. He is a realistic man, not a real macho man, vulnerable, occasionally thoughtless, and refreshingly kind.

The novel itself does conform to the standards of the romance genre, but not so much so that the inevitable conflict and resolution detract from the character's growing love for one another. They fall, and stay, in love. Isn't that, and not some sub-plot/murder mystery/comedy of errors/love-hate-love-hate abuse & forgive S&M knot the essence of a romance?

Some may fault the story for not being lust-driven but I cheered the novelty and the skill of the author in crafting desire based almost entirely upon affection and mutual respect. I enjoy an erotic romance more than most, but I loved this gentler story even more.

Get this book. You can't go wrong.
