Do not like your "installment plan!"

By Avidreader

I truly do NOT see the point in disappointing readers this way. Paid \$4 for half the book today; will have to wait three weeks and pay another \$4 to get conclusion. Way to rip off the customer! Just give us the whole book for full price at one time please! Book COULD have had a 5 star review if had not frustrated me this way. In fact, I may not even purchase the second installment on principle, and I always buy your books on publication date. Very unhappy at this new technique Laura.

Can't wait to get part 2. Love that the women aren't subservient to the men and do their thing. Don't think this had to be 2 books but won't know till I read the next one!
