Most helpful customer reviews

1 of 1 people found the following review helpful.

Excellent Work by Esteemed Art Critic Laura Cottingham

By arthur john kyriazis

This is another excellent work by esteemed feminist art critic Laura Cottingham. Laura is an outstanding writer whose writing is both captivating and mesmerizing. Where her political works tend toward the rehashing of Habermas and the French Marxist school of deconstructionist gender studies, this book is a wondrous study of art and feminism which deserves a wide and broad audience. Bravo Ms. Cottingham!
