Book

By Brenda Simpson

This book was written as if someone had gone to the internet made a search and copied what they found! It's a book about an artist without a single image! YIKES!!!!!!

Not the best

By YaYa

I have to agree with a previous review that information in this book could have been gleaned from the internet. Not very substantive. Leaves you wanting to know more and wondering why so much detail was left out. Believe there is more to Margaret Keane than what is portrayed in this lacking book. Disappointed!

What a joke

By Dawn Conradi

This is like a horrible cliff notes of Kean. Do not waste your money.
