CASUALS: FOOTBALL, FIGHTING & FASHION: THE STORY OF A TERRACE CULT BY PHIL THORNTON PDF

First came the Teds, the the Mods, Rockers, Hippies, Skinheads, Suedeheads and Punks. But by the late Seventies, a new youth fashion had appeared in Britain. Its adherents were often linked to violent football gangs, wore designer sportswear and made the bootboys of previous years look like the dinosaurs they were. They were known as scallies, Perry Booyes, trendies and dressers. But the name that stuck was Casuals. And this grassroots phenomenon, largely ignored by the media, was to change the face of both British fashion and international style. Casuals recounts how the working-class fascination with sharp dressing and sartorial one-upmanship crystallized the often bitter rivalries of the hooligan crews and how their culture spread across the terraces, clubs and beyond. It is the definitive book for football, music and fashion obsessives alike.

Good but not as centered around fashion as you would think.

By Zigi Hogan

Not sure what to think about this one. It was OK but centered around Manchester and Liverpool and not the early years of Casual but the 80's. Decent book but not a focused on fashion as it leads one to believe.

Five Stars

By Darren Davis

10/10.

0 of 1 people found the following review helpful.

Book is OK

By hammerhead

I think there are better football/hooligan style books out there. Like I said it is OK, good history of the fashion and how fast it was moving through the fans at the time, but doesn't really keep you locked in. I can put it down and pick it up later without feeling like I am missing it.
