# **CONSTRUCTION CONTRACT LAW: THE ESSENTIALS BY JOHN ADRIAANSE PDF**

Construction Contract Law covers the essentials of this key subject. In clear and accessible language it looks at how the law has developed, the reasoning behind key contract clauses, and how contract law is applied in practice. It is an invaluable guide for students at undergraduate, postgraduate and construction professional level. Contractors, subcontractors and suppliers to the construction industry will also find it a useful and informative guide to the operation of construction contracts. This second edition has been thoroughly updated incorporating recent developments both in the law and in the way that it is handled, and including changes as a result of the new JCT 05 contract. John Adriaanse is Senior Lecturer in Construction Law in the Department of Property, Surveying and Construction at London South Bank University. His academic specialisms include the law relating to the construction industry and standard forms of contract, and international and comparative construction contract law.
