**Strengthen Your Prayer Life!**

By Connie Saunders

Author Cheri Fuller begins her book *Dangerous Prayer* with a question: "Have you ever prayed a dangerous prayer?" She then explains that while this kind of prayer is nothing new, it needs to be rooted in the Bible and the person praying it has to turn his efforts over to God and be willing to do His will.

Fuller devotes twenty-one chapters to illustrate what can happen when God's people pray dangerous prayers. She reminds us of Hannah, who was childless until she promised in her dangerous prayer that if God would give her a child, she would willingly give that child back to Him. Hannah obeyed her prayer and gave her small son Samuel back to serve God.

Another example is the Samaritan woman at the well who asked Jesus for the Living Water that would guarantee that she would never be thirsty again. This was a very dangerous prayer because a Samaritan woman asking for help from a Jewish man was certainly taboo in that culture.

Both of these illustrations are well-known Bible stories but in this book we meet, among others, a teenager who prayed a very dangerous prayer and a seventy-six year old woman who uttered the most dangerous prayer of all: "Yes, Lord". Cheri Fuller also relates some of her own experiences praying dangerous prayers so chapter after chapter, we are shown examples of how a willing, submissive heart and a dangerous prayer can strengthen our walk with God and enable us to grow as Christians.

Bible scriptures in each chapter enhance the stories and the final chapter offers questions that will help each reader to begin to pray their own dangerous prayers and start to do what God has called them to do. I can see Dangerous Prayers being used by individuals in their personal devotions and also in Bible Study groups. Cheri Fuller has given readers a valuable resource and I highly recommend it.

I would like to thank Barbour Publishing for offering me a copy in exchange for my honest, unbiased review.

Discovering Your Amazing Story Inside the Eternal Story of God

By Eileen B

Cheri Fuller shares with her readers the power of praying dangerously in *Dangerous Prayer: Discovering Your Amazing Story Inside the Eternal Story of God*.

Cheri Fuller does a remarkable job of sharing stories of how people who prayed "dangerous" prayers to God found themselves living in new countries, in new cities and towns, in new homes among loved ones or strangers. When God listens and responds to their prayers, their lives and/or others' lives are transformed.

When I first picked up Cheri Fuller's latest book on prayer, I paused because the title, *Dangerous Prayer*, printed in a dark red capital letters, did not bring thoughts of safety and comfort but ones of warning and change. I thought, "What have I gotten myself into now?" Then, my eyes focused on the second part of Fuller's book title, *Discovering Your Amazing Story Inside the Eternal Story of God*, I decided that contents might be interesting and less intimidating.

As I read I became aware of the elements of a dangerous prayer, a prayer made with all of one's being out of passion, desperation, or hope for God to move in that person's life or another's life and with a willingness to say "yes" to follow in the direction God leads. I discovered that I have on various occasions in my life prayed and lived out of various dangerous prayers. (What are examples of people's life-changing prayers? Hint: Read the book to find out.)

Also, I realized that my time spent within the pages within the stories, was well spent. Whether I read a personal account from Fuller, Biblical story, or other true life accounts, I experienced God's powerful presence and movement in response to their heartfelt prayers. God presented as the main character every time, along with supporting storyteller. Spoiler alert: one of my favorite quotes is on page 222:

One important thing I learned from my elderly friend is that although the project or mission God calls us to may be different from hers, the same God has a plan to use each of us for His great purposes – no matter our age or what stage of life.

I felt encouraged to see that in God's eyes we matter so much more than our age if we are willing to follow and serve.

Fuller concluded each story with the very words prayed by each storyteller. She briefly showed how the outcome of the prayer revealed God's promises carried out then and still being carried out today.

Very short, easy read anecdotes that are an inspiration.

This is a great book full of different stories to explain how great and how scary prayer can be! Dangerous prayer is letting God know that you're ready to do as he wants and giving your life over but the dangerous part is asking.

It's like that old adage be careful what you wish for. In the stories there were so many great things that happened because people were willing to ask how they could be used to help others.

Out of the stories here, the one that resonated with me the most was the girl that had a really hard time after she became a teen. Her parents had a hard time as well trying to understand her, as all parents do during that time. They almost lost her when she tried to commit suicide. Fortunately they wanted to help her but they also knew that there were some things that they couldn't do without God.

There are many stories like this one, that really delve into life and how hard it can be but how great it is to pray and surrender yourself.

Very short, easy read that is an inspiration.
