Used this version of the New Testament daily

By Kindle Customer

I used this version of the New Testament daily and the cover did not stand up too well. Less than a year of use, the fabric was pulling loose from the edges and all the letters on the cover were gone. Content wise, these two versions Gnt/Tgv are good companions although they cannot be compared for equivalency. The size was perfect to carry daily and the point size of the text was easy to read.

My lineage is German...

By Carolyn E. Rushing

I am in the process of writing a book about my family's heritage. To insert a few well chosen German vernacular seems fitting and I believe this would be a "Good Book" from which to chose my words...of wisdom.

German/English New Testament Review

By Jethro Harbison

I like the "Gute Nachtricht" because the translation is in modern german. The Side-by-side arrangement assists in understanding. I am enjoying it very much.
