It will certainly not bother you to reduce your valuable time to choose purchasing book in store. In this way, you will certainly also spend money to spend for transport and other time spent.

From the Back Cover

"John Conroe's first book does more than display his familiarity with the currently popular sub-genre of vampire stories. It also showcases a truly individual and engaging storytelling voice. With intelligence and sly humor, Conroe has crafted a tale that is more than mere genre fiction. It's a truly engaging and rewarding read." - Joseph Bruchac, Award winning author of WOLF MARK and KILLER OF ENEMIES, as well as best selling co-author of the DOWN TO EARTH series.

About the Author

James Patrick Cronin is an accomplished audiobook narrator with over 100 titles to his credit. A classically trained stage actor with an MFA from the University of Louisville, he has performed as an actor and a comedian on stages all over the world.

GOD TOUCHED (THE DEMON ACCORDS) BY JOHN CONROE PDF

Book 1 of the Demon Accords.

Chris Gordon is a rookie with the NYPD—one with a secret. In his spare time Chris is an exorcist without equal, with a gift from God. But when he saves a beautiful girl from a demonic attack, he discovers there is more to fear than just demons. Finding himself surrounded by vampires and were-weasels and facing a giant short-faced bear, Chris struggles to stay alive, all while protecting his deadly new girlfriend. And then there's her overprotective vampire mother!

Hook, writing, story, pacing. Perfect mix

By Doug

I seldom create reviews so bear with me. I have read all 4 currently released novels in this series.

I give this freshman work 5 stars. It is well worth a read by anyone interested in a good tale. Especially, but not limited to, the urban fantasy genre.

Pros:

- * The pacing is very good for this novel. There is a ton of world building that has to happen to introduce you to the protagonists life. Details are doled out at a rapid clip and push the story at a fast clip.
- * Hook - Very quickly you will care about the protagonist. The story definitely pulls you into his world and has you rooting for him.
- * Writing - I enjoyed the writing style. A little humor, and a lot of details. Delves into the "science" of the genre in an interesting and easy to understand fashion without killing the pacing.
- * Story - Details come out fairly regularly and move the story along. The story itself gets pushed to the back a little in this debut novel as we get to know the characters. Still present and makes sense.
- * Price - This story is priced at a debut Author price.

Cons:

- * Minor editing flaws - There are a couple of misspelled words that should have been caught in editing. "The" instead of "Them". Very minor, easy to catch the meaning and don't detract from the story. Is it possible these are kindle only issues?
- * Some ideas could have been fleshed out a little more. You won't believe how quickly the novel flies by.

Basically its a very good book. Hard to put down and leaves you wanting more. Luckily there are 3 other novels in the series already released, so you can get your Demon Accord fix.

Side notes:

If you enjoy authors like Jim Butcher or Patricia Briggs, consider this series required reading. (Not because it adds to those Authors series in any way, instead it is because you will thank me later).

Well Worth the Read!

By JB1976

I was instantly hooked! I am now on book 5! There are vampires, demons, werewolves (and werebears, weretigers - even wereweasels!), ancient gods, God and assorted other supernatural. The action is steady and the characters, while a bit shallow and poorly fleshed out, are relatable. If you're a bit of a pedant when it comes to grammar (I am), then these books will often annoy you. Before writing this review (and seeing the author's headshot) I'd have sworn on a stack of Bibles that the author had not yet reached his 25th year (I am 40yo). The grammar plus the lack of depth in the characters, coupled with many plot elements, lead me to that conclusion. I still very much enjoy these (and this, especially!) books (book). He needs a new editor, there are FAR to many mistakes than would be accounted for by copyright infringement traps that we're all used to seeing by now.

Not for me.

By Bobo

Tried it, but not my cup of tea. Don't feel that there is enough here in the novel, and way too much focus on the relationship of the main character with the girl. It presents itself as a story without much depth to me, due to that.

I realize the author seems fairly, popular...so I would pose a probable conclusion that the style of John Conroe, is simply not to my personal taste.

Will say that I felt the overall editing of the novel was well done.
