Helpful Resource For Sermon Preparations

By Jacques Schoeman

Right in the beginning is found a 7 page at-a-glance chart, a Scripture Index, of the four Gospels harmonized. The center and bulk of the book are the four Gospels placed in pericopes alongside each other. In addition to

the beautiful lay-out, there are a number of theological issues that are discussed in a separate section at the back of the book, such as 'Messianic Prophecies Fulfilled in the Gospels', etc. Full color maps are included as well. This resource is not skimpish, with elaborate materials.

'The use of passages from the OT Psalter as messianic indicators by the four NT evangelists involves ten Psalms of which eight are Davidic according to their superscriptions. Of the two remaining, one is by Asaph (Ps 78), and the other is anonymous (Ps 118). This suggests the high degree of perception on the part of the NT community that David's life served as a type of the future Messiah.' p 342

'According to the four Gospels and their use of fulfillment formulas, the OT foretells or foreshadows the Christ...In only about seven or eight of these twenty-three can it be said that the OT context directly shows intention on the part of the author to speak about the Messiah. Sixteen of these may be said to be typological or other analogical or applicational uses of the OT by the NT authors, while the remaining seven are exegetical and contextual completions of the OT texts as predicted and perceived by the OT author.' p 343
