Review

“This is a supernatural story of God's redemption and restoration, where a man chose humility and his wife believed God for the impossible. And it happened. Healing Your Marriage When Trust Is Broken will give you hope for your marriage and strengthen your faith in a God who can turn our mistakes into miracles.”

?Steven Furtick, lead pastor of Elevation Church and author of Sun Stand Still

“What you are about to read is an all too real story of a couple in ministry whose marriage and vocation is suddenly rocked and halted by the consequences of infidelity. Chillingly honest but remarkably encouraging, Cindy's journey is one that breaks through the barriers of shock, pain, and betrayal to forgiveness, strength and restoration. I look forward to sharing this book with so many I know who are dealing with the unfortunate devastation of a marital affair.”

?Pete Wilson, pastor of Cross Point Community Church and author of Plan B

“One of the greatest gifts we can give to each other is the gift of knowing that you are not alone. Through Cindy's transparency and openness, she willingly gives this gift to all of her readers. “With elegance, vulnerability and grit, Cindy Beall shares what is every married woman's greatest nightmare. A powerful story of hope...an honest journey of struggle...an inspiring passage of renewal: the chronicle of Cindy's major life interruption speaks to the deepest place in my heart. This book is more than just a book on marital infidelity. It is a picture of the restorative love of Jesus, able to supersede any difficulty...compelling enough to make ugly things become beautiful. I love Chris and Cindy Beall's story. It is the story of Jesus.”

?Lisa Whittle, speaker and author of {w}hole

?Dino Rizzo, lead pastor of Healing Place Church

“Cindy Beall's message of grace is simple but profound: Jesus is your hope for a successful marriage. No matter where you find yourself, her story will challenge and inspire you to let God heal the past and build a better future.”

?Judah Smith, lead pastor of The City Church in Seattle, WA

“I randomly got ‘placed’ with the Bealls for an evening a few years back which turned out to be a ministry shifting moment in my life. I was captivated that evening as the authenticity flowed from Cindy's story on hurt, hope, and the resurrection of an undying love. This book took me back to that night and hearing that story. Cindy's words will rip the veil off any fear and doubt that God can heal you in spite of your own best effort.”

With raw honesty and intimate knowledge of pain and of God's power to resurrect something new out of the debris of betrayal, Cindy reveals how to:

- seek guidance, counseling, and prayer support when deceptions surface
- help the family heal from the grief and humiliation
- rebuild trust after porn, sex, and other addictions undermine a relationship
- protect a marriage from lies and unfaithfulness
- rely on God to pursue forgiveness and move forward in new promises

Cindy's compassion, grasp of God's Word, and the Bealls' remarkable story will help wives and husbands trust God with their broken hearts and follow His leading, hope, and redemption.

Letting Go

By G2thafree

I can't imagine the level of hurt and heartbreak that Cindy went through. My husband had a 3 month emotional and sexual affair with his coworker and I felt like dying. I'm 3 months post D day. Along with unceasing prayer and morning devotionals, the encouragement that Cindy writes to us betrayed spouses, has provided a kick start to healing! The key to healing is focusing on us, the betrayed spouse, getting healthy physically, spiritually, emotionally, intellectually, & socially. The affair had nothing to do with us, our spouse's affair is a symptom of a much bigger problem, self-hate. I pray that all wayward spouses seek therapy/Godly counsel for their self destructive behaviors, while we betrayed spouses find self love, self worth and letting go of past hurt. You can't let go if your gripping tightly to past hurt from our spouses or others who've hurt us.

Life changing

By directorBMC

This book is absolutely amazing. I could relate so much to her story. My husband has a long term porn addiction, which led to his infidelity. And to top it off, this happened when I was 9 months pregnant with our second child. This book totally opened my eyes. It gave me such a deeper understanding of why this happened. While my wound is still fresh, this book has made the healing process just a little bit better. I know it's going to take time, but with God on my side, and this book to reference to, I know we're going to win this battle. Back off Satan.

"We judge others by their actions, but we judge ourselves by our intentions." Cindy Beall

By Amazon Customer

I read this book in 2 days, I just could not put it down. The open, honest, brutal truth that seeped through the pages had me hooked! I was hungry for encouragement and counsel, and I found myself feeding, on God inspired wisdom, direction... and hope! *Healing Your Marriage When Trust Is Broken*, is a plate full of bounty from the table of forgiveness and restoration. A must read for the hurting marriage, as well as a positive tool for counselors and mentors!
