A Treasure for Energy Healing!

By Deborah Lloyd

This book contains valuable information about energy healing, specifically the modality of Reiki. Angie Webster begins the book with sharing her own amazing, healing story through the use of Reiki. She continues by giving clear explanations of the what's, where's and how's of energy. Although we experience energy in every moment of our lives, we are often unaware of its existence. Her comprehensive teaching includes practical exercises that are easy to learn, and use.

Angie reminds us that the more we learn about energy, the more we realize our own power to create lives of health, happiness and peace. We learn everything is connected, through the power of energy. Whether you are new to the subject of energy healing, or already have some knowledge and experience in this modality, you will learn much more! I highly recommend this inspirational, and informative, book.

This is one of the best books I have read on this subject

By cheryl shortridge

This is one of the best books I have read on this subject. Angie has a solid knowledge of Reiki, & Energy Healing in general. Her writing style is fun & easy to read, and anyone interested in this, whether just curious

or a practitioner of many years, will certainly benefit from her knowledge. Wonderful book!
