The Bride

By Amazon Customer

Great read!! I have read both books they are a clean story with lots of humor, heartbreak and love. A meddling father and his housekeeper (which I think there should be a story too) can't wait to read about the next bride for Daniel.

Sweet Creek Brides Series Book Two

By Jutzie

Jeremiah's Bride by Jill Summers

Sweet Creek Brides Series Book Two

Jeremiah Blake had trouble around ladies. He just turned into a man who bumbled his words, dropped things, tripped, and other things that just made him unpopular with the gals. He liked the idea of a mail-order bride after his brother was blessed with Clementine. And when a woman arrived on the train, he assumed she was his bride. Only she wasn't.

Rosamund Gifford had a tough life. Her parents died and she left England to spend seven years as a servant in America. She has finally gained her freedom and took on a job as a maid. The Blake family was a perfect fit for her. She just had to hold her heart closely around Jeremiah. There was a better woman for him in his future, not her.

Jeb Blake is not doing well health-wise and he's not sure if he'll recover. His one wish is to see his three sons married before he is taken from this earth. Whether they want a bride or not, Jeb and his long time housekeeper, Katherine, are going to find them each one.

I knew I would love Jeremiah after I met him in book one, The Sweetest Mail-Order Bride. This story grabbed me from the beginning and pulled me in. I love the mail-order bride books. These women took chances in hopes of a better life and traveled to new places with their hopes. Never knowing what awaited

them at the end of the tracks. Watch for the third book in this series, *Secondhand Bride*.

Triumph Over The Past

By Bunnyhop

I enjoyed this second installment in this series. It's a short & sweet romance which I read quickly. I have really liked the Blake family so far. In this book Rosamund Gifford lives back East and works as an indentured servant. She's treated terribly by her "employer". Finally she fulfills her "contract" and can leave. Thankfully, the Blake family puts an ad in a paper and she sees it and applies for a job as a maid for them in the Montana Territory. Through all of this, I kept thinking of how hard times were in those days for some people. When Rosamund arrives in Sweet Creek, she is so humble and grateful for every little kindness showed to her after the life she has had to live. It made me grateful for all I have! This wasn't your typical Mail-Order Bride story because Rosamund wasn't supposed to be a bride but Jeremiah, one of the Blake's sons, falls for her. Although Rosamund tries to resist him because she's "just a maid" and doesn't want to jeopardize her place in the household, she can't help falling for Jeremiah either! This was truly a story of triumph over your past and looking forward to your future. I enjoyed the book very much.
