A better method for learning how to knook

By Pat C

If you are interested in learning how to knook this is a good book to learn with. The method for knooking taught in this book is based on the Eastern method of knitting which for me is easier than the Western method that is taught in the Leisure Learning book. The book also explains how to knook in the round which is beneficial for making hats and gloves. If you are new to knooking, this is an easy and fun way to knit. There are many patterns and it will give you a lot of ideas about what you can knook.

just don't enjoy it; I really like to crochet

By kfb

I tried to knit, just don't enjoy it; I really like to crochet. Now I can crochet to look like knitting! It increases my options crocheting for charity.
