But for 3 bucks I would definitely recommend!

By Amazon Customer

My 3 year nephew is OBSESSED with trains, and Mickey Mouse, so naturally he is obsessed with this episode of the Mickey Mouse clubhouse! I was so excited when I came across this book! He loves it and it comes with stickers and a scene page in the book to put the stickers. I just wish the stickers were reusable. He likes to move them and if course they ripped when he tried to peel one back off. But for 3 bucks I would definitely recommend!

Daughter loves it!

Excellent pop up book. It also has really nice stockers for the few pages of activities in the back of the book. Our two year old is a huge Mickey Mouse fan and she loves all these books. At \$3 bucks, it's a steal.
