Can God save someone in a night club? Can He save a high school dropout? A victim of child abuse? What about someone who tried to burn their parents alive? Find the answers in this collection of over 35 true inspiring stories! Excerpts: "Once I had watched a movie about a kid who hated his parents, and he burned his house down. I thought, I could do that. So one night, I stayed up late soaking gasoline on the carpet in my parents bedroom. I took newspapers and laid them around their bed. I poured gasoline all over the doorway. I lit a match, dropped it into the carpet, and ran out of the room to avoid the explosion." "One night at supper, as I sat at the table with my husband and three children, I looked at them and thought, Where did this lonely feeling come from? When did I start feeling so unhappy? How long have I felt this way?" "As a young boy, I feared death, and though I didn't think about it often, when I did, it was a scary thought. By the time I became a teenager, I had been introduced to all sorts of bad and wrong ideas of what was acceptable for me to do and say. I didn't consider myself a bad person, but I struggled with anger and it showed. I also had trouble "adjusting" to high school. It was an unpleasant experience, as I remember it, and I did not make it far before dropping out."

Uplifting and Encouraging

By Faith Blum

This book is a very uplifting and encouraging look at testimonies from many different people. They are all from different walks of life, but they all share the Good news that Jesus Christ saves. Each story takes less than five minutes to read and it is a great book to read whenever you have just a few minutes. I highly recommend it.

Unique, real, and worth the read

By Amazon Customer

I recommend this book. Each story stands alone, and yet, all the stories come together under a common theme. If you are looking for a book that will lift your soul and point you to the Savior, this is the one. Great as a gift or for yourself.

Amazing Testimonies

By Sheila G.

Let Us Never Lose Our Wonder! It's the effectiveness of personal testimonies such as these that keep us spiritually alert, thankful to the Savior, and gracious toward those who are yet to know Him. It's the "Iron sharpens Iron" affect that the Lord uses to renew and revive us that this book so graciously provides. Jesus is the Superstar in these stories, and our supporting role as cast members cannot be overstated. Nothing in God's economy is wasted! From the ordinary to the spectacular, He can use it all. You'll Be Encouraged to Let Your Light Shine Too! Highly Recommended.
