PETER PAN: FAERIE TALE COLLECTION BY JENNI JAMES PDF

Peter Pan needs help, and he's convinced the effervescent Wendy Darling is just the girl to champion his cause. Ever since the mischievous fairy Tinker Bell began recruiting—more like, snatching—boys from London's orphanages to take them to a magical place called Neverland, things have gotten out of hand. Captain Hook has only become more violent and the boys more lost as their memories of life before Neverland begin to fade. Peter's only hope is to get the boys back to England and help bring balance to Neverland before Hook's dangerous escapades kill them all. Wendy is not quite certain why such a handsome young man would need her—especially a lad who clearly has a touch of madness in him. What boy learns to fly? But whatever the reason, home life has become too much for her now that her parents are hoping she marries an acquaintance she can barely abide. There is something about Peter Pan that intrigues her greatly, and then there is this magical world he talks about, this Neverland . . .

This story was a nice, quick

By April Sarah

This story was a nice, quick, light read that had me smiling the whole way through.

I true lily enjoyed the fact that some of the original heart and nonsense was captured in this retelling.

However it read a bit like a piece of fanfiction (which can be said of most retellings). I could see someone me of the original 'Peter Pan' lurking in the writing but some of the characters seemed a little off.

I may be a bit bias because I truly love JM's original story but for a quick piece of nonsense this was good.

Ticklemepnk

By Chelsey N Titus

This was such a fun read! I am so glad jenni did not change peters personality too much if at all. I always wanted a version where there is more romance between Peter and Wendy. So much adventure and excitement I couldn't put this book down. Wendy and Peter are just perfect in this book. Can't wait for the next one. Thanks jenni
