Review

"Ernesto Ortiz is among the remarkable individuals who can access some aspects and elements of the Akashic Records. Profound and practical, The Akashic Records explores a deep domain of reality in ways that treat the esoteric as everyday reality."

--Ervin Laszlo, author of Science and the Akashic Field

"Ernesto's book has a very down-to-earth approach and understanding to accessing the Akashic Records. Now, through this book, we have the tools to explore our destiny directly. Ernesto explains very concisely how, when, and why. He gives many pointers and possible roadblocks that you may experience, and how to go about resolving these issues. This book is an inspiration and a must-read!"

--Margot Anand, author of The Art of Everyday Ecstasy

"This author has obviously entered Akasha to bring us this book of profound knowledge of who and what we truly are. In simple, down-home language, Ernesto Ortiz vitalizes this sacred library of self-remembrance in all its specifics, so that we, too, may become proficient in accessing the Akashic Records on our soul's journey through time."

--Jacquelyn Small, author of Awakening in Time, Becoming A Practical Mystic, and The Sacred Purpose of Being Human

About the Author

Ernesto Ortiz is the founder and director of Journey to the Heart, a company dedicated to uplifting consciousness and the well-being of people. He is a noted artist, author, facilitator, teacher, and therapist. During the past 25 years, Ernesto has facilitated hundreds of workshops and seminars in the United States, Canada, France, Australia, the Caribbean, Indonesia, Egypt, the UK, Mexico, and South America. In that field only love exists anyway

By Concerned Parent

Some people talk the talk, some walk it. Having had the opportunity to observe the author's walk during a challenging "spiritual" trip I must say the heart-centered teachings he promotes are not embodied in practice. The contrary was more prevalent, day after day, in the course of more than a long week, the cracks do eventually show, and our group certainly saw them, and suffered them too. The world is full of teachers who promote things they do not practice in their human interactions. Hence the saying "Those who can't, teach". The salvation is that there is value in all teachings, for teachings come in many forms. This being said, reading the akashic records IS for EVERYONE, no matter how open one's heart is in practice in one's daily encounters with others, and anyone can learn to tune-in to the quantum field of knowledge. In that field only love exists anyway, so once we get there, we ARE in the heart-center of knowledge. That is the redemption for all of us. Whether we practice loving-kindness in our day to day or not. And that altered, expanded sense we reach when connecting to the ALL hopefully eventually carries over into our human lives.

I do not recommend this book in particular, but I do recommend that everyone find his or her own way to open to the sacredness of their soul's journey and purpose, for indeed, it is all recorded and available to us. We just need to ask with sincerity and tune in. There are other books on this subject, as well as free online ones. They all do the same thing. Each individual must connect directly by opening himself or herself to the ALL. No book can or will do that for you. Just find the prayer somewhere, do your own spiritual practice whatever it is, and practice connecting and asking for answers. That's the only direct route. :)10 of 10 people found the following review helpful.

Interesting Perspectives On The Akashic Records!

By Dr. Joseph S. Maresca

The book has some excellent guidance for proponents of the mystic arts and healers. Examples are grounding guidance, meditation and the chakras.

Grounding allows for healing abilities and equilibrium maintenance. In addition, we can grow deeper roots with grounding and have a better connection to the spiritual domain.

Specific grace points are referenced to accomplish important tasks. For instance, the center of the palm is for a directed emotional release point. The point just 1 inch below the pinky is utilized for directing the consciousness to clear on the cellular level. The ego disconnect point is just south of the thumb.

The book is aimed at the Masters and Teachers of the Akashic Records. The book is well written and easy to understand. In addition, it provides good guidance on the historical dimensions of The Akashic Records.4 of 4 people found the following review helpful.

Ernesto Ortiz guides you step-by-step into a state of consciousness that will help heal your soul and have a better understandin

By Virginia A. Earl

This book is definitely in my list of favorites! It's one of the most interesting books I've ever read. From beginning to end, Ernesto Ortiz guides you step-by-step into a state of consciousness that will help heal your soul and have a better understanding of your past, present and future possibilities with an open heart. Reading "The Akashic Records" is a life transforming experience in itself. This little treasure is an excellent and easy read for everyone! I highly recommend this book whole heartedly to anyone following a spiritual path. As you open the book, your heart will open up as well. Enjoy this journey!See all 21 customer reviews...
