THE GREAT IMPERSONATION: HOW THE ANTI-CHRIST HAS DECEIVED THE WHOLE WORLD BY ELI JAMES PDF

There is abroad in the Christian world a prevalent feeling that evil should not be admonished or openly criticized. The Bible, on the other hand, warns the Christian watchman to broadcast the warning whenever it is needed. The Christian ostrich who has his head in the sand doesn't want to offend his oppressor, presumably because he doesn't feel the oppression badly enough to complain about it. This book contains the record of that oppression, an oppression which has often achieved the status of genocide against millions of Christians, especially in the Twentieth Century, the most violent century in the history of man.

Biblical Truth for the Churchgoer and the professing Christian

By Culdee

Eli James in this book, does not mince his words. This is NOT the milk of The Word (The Bible). IT IS THE STRONG MEAT. Perhaps this book will be too honest, too straightforward for many who have been "educated" into "... the leaven of the Pharisees WHICH IS HYPOCRACY". We are most certainly in the End Times as explained in Scripture; so the time is ripe for all of YAHWEH's People to prepare themselves. This book will assist such people to put oil in their lamp. Why, after 2000 years of "organised Christian religion", is the world in such a mess? This book, studied in conjunction with one's Bible, goes a long way to explain the problem AND the people behind the problem. Seekers after The Truth who read this book have nothing to lose and much to gain. I recommend this book to "Christians" and especially all Biblicists.

The True Chosen People Of The Bible

By Paul Pen

Finally a well researched Christian book that is easy to read and understand. The book reveals the biggest identity theft of all time perpetrated on the believing, true sons and daughters of the seed-line Jacob/Israel. The book proves this to be the Christian nations of the Abrahamic Covenant.

The imposters have temporary dominion through their fiat currency, propaganda media, endless wars and occupied governments. It is no wonder the Judeo-Christian Churches are 501c3 corporations, that won't reveal these truths and Yahweh's (God's) real name.

The author has done much research into the original Greek and Hebrew text of that time to demonstrate the mistranslations that have bestowed much confusion on the Christian world. The bible takes on a different meaning when understanding these translations and is much more understandable to the average layman. This is a must read!

Best Book Available on Synagogue of Satan

By bransonfib

Eli James' book is no doubt the best book available today on the identity of the Israelites versus the Synagogue of Satan as mentioned in Revelation. What should be aggravating to the Christian people is that we have to go to Eli at all to get the truth. Where are the Christian preachers on this subject? Missing in action for sure because they know that once they correctly identify the enemy of Yahweh they'll lose their paid positions as the leader of the Church and be blacklisted from the industry. Because that's what the modern day Church is, it's a corporation, under the control of the State and/or Federal Government. At least Eli can tell us the truth. There's very little else available these days that's well researched.
