THE JAZZ SINGER'S HANDBOOK: BOOK & CD BY MICHELE WEIR PDF

The Jazz Singer's Handbook provides an inspiring and practical window of insight into the world of professional jazz singing. Drawing upon an impressive career as an arranger, teacher, singer, pianist, and clinician, Michele Weir (faculty, UCLA) has distilled her experiences and observations into two handbook sections: the artistry and the mastery of singing jazz. Also included is a jazz chord library, a professional resource guide, a review of music fundamentals, and an index of terms and symbols. The CD includes sing-along tracks for standard songs, many of which are in two keys for different voice ranges, plus recorded examples of the performance and arranging concepts presented in the text.

Jazz is more than just singing it!

By Miss Fox

From the very first page of this book, I knew this was what I was looking for. I teach jazz vocal styles at a university. It is sometimes a challenge trying to express to new students the importance of how to be expressive in singing jazz. This book breaks it down in revealing the many expressions, such as interpreting if the lyrics are informative, poetic, etc. This book is for the serious jazz vocalist that really would like to learn how to sing, how to express the lyrics, how to become one with the song and how to draw an audience into a world of unforgettable and intimate singing.

3 of 3 people found the following review helpful.

So glad I bought it!

By Eliza B

New to jazz, I have barely looked at chapter one and already it has improved my singing and made me more confident about tackling a new to me song. Great book for new jazz singers. Hey, more than just jazz! Any

kind of singing that allows a little interpretation.

8 of 8 people found the following review helpful.

This Book is a definite must!!

By Tracey

This is a great book and covers many many areas that are very useful to know as a jazz singer, from phrasing, endings and intros to organising your charts and working with a band, tempos etc. etc. It's definite must!
