Almost a decade ago, the first Bottoming Book taught tens of thousands of people that bottoming - being a submissive, masochist, slave, 'boy' or 'girl, ' or other BDSM recipient -- is as much an art as topping. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular bottom!

A good read within its realm.

By Amazon Customer

it's a good book in its own right, it just wasn't what I was looking for. It seems geared more toward those that

know nothing or have apprehensions/misconceptions about the scene. The Dom do's and don'ts this book is not. It is closer to an extended essay on the division of power within a dom/sub relationship. If you're looking to better understand the emotional side of dom/sub relationships then this is a good starting point.
